

LONDON THEOLOGICAL SEMINARY

BURSARY APPLICATION FORM

Please note that a limited number of bursaries are available each year. For students from outside the UK, bursaries are granted on the assumption that you will return to your home country upon completion of the course, to work in gospel ministry there. If you do not do this, you may have to pay back the bursary.

Bursaries cover the cost of Seminary fees and, in the case of residential students, meals and accommodation during term time. (See 'Fees and Accommodation' on part one of the Application Form).

Your application for a bursary must be submitted in conjunction with an application to study at the Seminary **(with supporting references) and will only be considered if that application is successful.**
